**DECLARATION OF PAUL ST. LOUIS CERTIFYING THE SECTION 408**  
**PERMISSION ADMINISTRATIVE RECORD**

1. I, Paul St. Louis, am currently employed as a Project Manager for the U.S. Army Corps of Engineers, Rock Island District. In that capacity, I am responsible for coordinating applications under Title 33, Section 408 of the United States Code.

2. I was the Section 408 Coordinator for an agency action incorporated into the Section 404/10 Rock Island District Nationwide Permit Verification, MVR-2019-1145 dated November 20, 2019, challenged in this matter.
3. I am familiar with the documents that are contained in the U.S. Army Corps of Engineers – Rock Island District’s Section 408 Memorandum of Record that was provided to the District’s Regulatory Program Manager and incorporated into the Section 404/10 Nationwide Permit 12 Verifications. The Administrative Record contains all of the documents and materials that were directly or indirectly considered by the agency decision maker in issuing the decision identified in paragraph 2, above, including some of the documents included in the Rural Utilities Service and Fish and Wildlife Service Administrative Records.
4. To the best of my knowledge and belief, I certify that the material annexed and described in the index constitute a true, correct, and complete copy of the administrative record in this case.

I swear under penalty of perjury that the foregoing is true and correct.

**DECLARATION OF APRIL MARCANGELI CERTIFYING THE SECTION 404/10  
UTILITY REGIONAL GENERAL PERMIT VERIFICATIONS ADMINISTRATIVE  
RECORD**

1. I, April Marcangeli, am currently employed as a Regulatory Project Manager/Biologist for the U.S. Army Corps of Engineers, St. Paul District. In that capacity, I am responsible for critically evaluating Section 404/10 permit applications, including determining regulatory authority, identifying and quantifying regulated activities, conducting the appropriate evaluations, and documenting the

rationale for regulatory decisions. I am also responsible for the review of mitigation bank proposals and participating in the development of regulatory programmatic initiatives.

2. I was the Section 404/10 Project Manager for some of the agency decisions challenged in this matter: 1) Memorandum for Record and St. Paul District Utility Regional General Permit (“RGP”) Verification MVP-2012-03481-ANM dated December 20, 2019; and (2) Memorandum for Record and St. Paul District Utility RGP Verification MVP-2019-02231-ANM dated December 20, 2019.
3. I am familiar with the documents that are contained in the U.S. Army Corps of Engineers – St. Paul District’s Section 404/10 Utility RGP Verifications Administrative Record for this case. The Administrative Record contains all of the documents and materials that were directly or indirectly considered by the agency decision maker in issuing the decisions identified in paragraph 2, above, including some of the documents included in the Rural Utilities Service and Fish and Wildlife Service Administrative Records.
4. To the best of my knowledge and belief, I certify that the material annexed and described in the index constitute a true, correct, and complete copy of the administrative record in this case for the decisions identified in paragraph 2, above.

**CERTIFICATION OF INDEX TO THE ADMINISTRATIVE RECORD FOR THE  
PROMULGATION OF THE NATIONWIDE PERMITS**

1. I, David B. Olson, am currently employed as a General Biologist Scientist for the U.S. Army Corps of Engineers, Headquarters, Directorate of Civil Works, Operations and Regulatory Community of Practice, 441 G Street NW, Washington, D.C. 20314-1000. In that capacity, I am knowledgeable about the promulgation of the U.S. Army Corps of Engineers' Nationwide General Permits under section 404(e) of the Clean Water Act.

2. To the best of my knowledge and belief, I certify that the attached is a true and correct index of the Administrative Record pertaining to the Nationwide General Permits published in the Federal Register on January 6, 2017 (82 Fed. Reg. 1,860).

I swear under penalty of perjury that the foregoing is true and correct.

Dated: August \_18\_, 2021
